

KOBRA 300.2 C4

The Kobra 300.2 range of office shredders has been developed to achieve outstanding shredding performance. A powerful motor operating in conjunction with an exclusive and sturdy driving technology, in addition to the large entry paper opening, allow easy and quick shredding of every paper size at the office. The Energy Smart® management system monitors the power consumption for energy cost savings and for environmental protection by reducing emission of carbon dioxide (CO2).

Sturdy and reliable mechanical design is guaranteed by the chain drive system SUPER POTENTIAL POWER UNIT with metal gears and special carbon hardened steel cutting knives, which are unaffected by staples and metal clips. The power unit is equipped with continuous duty motor without overheating or duty cycles.

- SUPER POTENTIAL POWER UNIT heavy duty chain drive system with metal gears
- CONTINUOUS DUTY 24 hours continuous duty operation without overheating and duty cycles
- CUTTING KNIVES carbon hardened steel cutting knives unaffected by staples and clips
- ENERGY SMART® power saving stand-by mode just after 8 seconds of non-operation
- START & STOP automatic start and stop through electronic eyes with stand-by function
- START & STOP automatic stop with light signal for bag full and / or open door
- AUTOMATIC REVERSE system in case of jamming
- CABINET attractive 135 litre cabinet mounted on casters
